Dear Committee

I am writing regarding the National Strategy for Young Australians.

The Youth Advisory Council (the Council) is set up by an Act of NSW Parliament, the *Youth Advisory Council Act 1989*. The Council is made up of 12 members from across NSW. The Council's role is to advise the Government of NSW, through the Minister for Youth, on matters of concern to young people and Government policies and programs concerning young people.

The Council recommends the attached submission to the Australian Youth Forum, National Conversation on the National Strategy for Young Australians, with a focus on topic four 'Core Priorities for Action'.

If you would like to discuss this further or have any further enquires, please do not hesitate to contact Cat Wright, NSW Youth Advisory Council Executive Officer on 9286 7206 or at [yac@yac.nsw.gov.au](mailto:yac@yac.nsw.gov.au).

Yours sincerely

**Amanda Scott
